## Introduction

This document is designed to assist data users in determining geographic patterns and demographic relationships by Census Tract Lubbock County. It should be noted that when **Sample Data** is included in the map title this indicates that the data is based upon a sample rather than a complete count. For the Lubbock County about 13% of the total population was included in the sample questionnaires.

## Key Definitions

1. A **household** is defined as the person or persons who live in a housing unit.
2. A **family** is defined as two or more persons, including the householder, who are related by birth, marriage or adoption and live together as one household.
3. **Persons in group quarters** are person in living arrangements such as nursing homes or dormitories which are not households.
4. A **housing unit** is a house, apartment, mobile home or trailer, group of rooms, or single room occupied as a separate living quarter or if vacant intended for occupancy as a separate living quarter.
5. **Median** is the division of a set of data that has an equal number of values above and an equal number of values below the median
