Introduction

This document is designed to assist data users in determining geographic patterns and demographic relationships for the Hispanic population of Lubbock County by Census Tract maps. It should be noted that when **Sample Data** is included in the map title this indicates that the data is based upon a sample rather than a complete count. For the Lubbock County about 13% of the total population was included in the sample questionnaires.

Key Definitions

1. A **household** is defined as the person or persons who live in a housing unit.
2. A **family** is defined as two or more persons, including the householder, who are related by birth, marriage or adoption and live together as one household.
3. **Persons in group quarters** are person in living arrangements such as nursing homes or dormitories which are not households.
4. A **housing unit** is a house, apartment, mobile home or trailer, group of rooms, or single room occupied as a separate living quarter or if vacant intended for occupancy as a separate living quarter.
