 - d. Off-street parking shall be screened in accordance with section [29-19.1\(o\)\(6\)](#).
 - e. Plans for off-street parking areas shall be submitted to be checked and approved as to access, ingress and egress by the city traffic engineer under the terms of this district and the city's driveway regulations.
 - f. No off-street parking areas shall be allowed in front of buildings on Broadway. Parking areas may be installed at the side or at the rear of a structure. If the parking area is on a corner property all curb cuts shall be on the north/south street.
 - g. No overhead or garage doors shall be allowed facing Broadway.
 - h. Recreational vehicles and oversized recreational equipment or trailers may be stored on paved parking lots, but not in any landscaped area.

1. In no event shall storage of recreational vehicles or oversized recreational equipment or trailers be allowed in the right-of-way or parkway.

2. No person shall occupy or use any recreational vehicles as living or sleeping quarters, except as allowed in subsection i. below.

i. Exceptions to recreational vehicle requirements in section [29-19.1\(1\)\(2\)h.](#) above:

1. Any recreational vehicle, oversized recreational equipment or trailer parked by its owner who is a Lubbock resident, on his lot, while engaged in active loading or unloading for a period not exceeding forty-eight (48) hours in a five-day period.

2. The recreational vehicle of a non-Lubbock resident on the lot or parcel of a person he is visiting. However, the recreational vehicle shall only be allowed to be parked on the lot for a maximum of fourteen (14) days during a thirty-day period.

3. Recreational vehicles parked on private parking lots of hospitals and/or clinics where parking of such vehicles is allowed.

4. Any pop-up or tent campers stored in the collapsed position.

(m) Plan review. Persons developing property within the "CB" districts are strongly encouraged to schedule a pre-application conference with the planning department. Plans submitted under the provisions of this section should convey the exterior design elements of a development and illustrate the property's relationship to its surroundings. A complete set of documents shall include the following information:

(1) Completed project application form.

(2) Owner or representative's name, address, phone and project title.

(3) Photographs illustrating the condition of the property, including all facades of any existing buildings.

(4) Site plans, maps and/or elevation drawings of proposed structures. All submissions should be to scale and illustrate:

a. All property lines, north arrow and scale.

b. All streets, alleys and easements, both existing and proposed.

c. Architectural character and use of materials, including mechanical equipment and other visible items associated with the structure or development lot. Illustrations should include:

1. Elevation drawings, photographs and other supporting materials to illustrate the proposed renovation.

2. Specifications for all materials to be used, including samples if necessary for complete understanding.

3. Color specifications with samples preferred.

d. Location and dimensions of buildings and structures.

e. Building height and setback from adjacent right-of-way lines.

- f. Proposed ingress and egress to property, and traffic flow and control.
 - g. Off-street parking and loading areas, including any additional information required to calculate parking requirements.
 - h. Type, dimension, and character of screening.
 - i. Location, size and design of signs, existing and proposed.
 - j. Location, height and design of outdoor lighting.
 - k. Landscape and irrigation plan for the development lot, including specifications for hard-surface landscape materials.
- (5) Other information that will assist in the evaluation of site development is encouraged, but not required.
- (n) Plan review process.
- (1) Prior to issuance of a construction permit, complete plans as described in section [29-19.1\(m\)\(1\)--\(5\)](#) shall be submitted to the planning department. The senior planner or his designated representative shall determine by review of such plans whether the proposed development meets the intent of this section and the "Design Standards for the Central Business District," dated 1999, a copy of which is attached hereto and incorporated in this ordinance as if fully set forth. Within ten (10) working days of receipt by the planning department, both the proponent and the building official will be informed in writing of the senior planner's decision including the need for review by the urban design and historic preservation commission as described in section [29-19.1\(n\)\(2\)](#), or any conditions for approval. The senior planner's decision may be appealed in writing to the zoning board of adjustment by the applicant or other interested person within thirty (30) days of the written decision in accordance with section [29-28](#).
- (2) If the senior planner determines that the proposal contains unique circumstances which cannot be accommodated by the standards of this zoning district and the "Design Standards for the Central Business District," the senior planner shall notify the proponent in writing and the plans shall be placed on the next available agenda of the urban design and historic preservation commission for recommendations. The commission shall use this section and the design standards to determine whether the development meets the intent of each and to make recommendations. Factors to be considered by the commission in making their recommendation and attaching conditions include: the extent to which the proposal differs from the design standards or the standards of the ordinance, the impact of these modifications on existing and future development in the area, and the public purpose to be served by permitting the requested modifications.
- (3) Upon recommendation by the commission, the senior planner may vary the requirements of the design standards so long as the requirements of section [29-19.1](#) are not altered. Variances from the requirements of section [29-19.1](#), even if recommended by the commission, must be approved by the zoning board of adjustment in accordance with section [29-28](#). The commission shall provide its recommendations in writing to the applicant and to the zoning board of adjustment.
- (o) Landscaping requirements.
- (1) No less than ninety (90) percent of the required front yard excluding paved curb returns or driveways up to a minimum of ten (10) percent of the total development lot area shall be landscaped and permanently maintained, except that:

- a. Interior courtyards shall not be included in any required landscaping.
- b. Buildings with zero (0) front and side setback shall not be required to have any on-site landscaping except that when a structure with zero (0) setback has adjacent parking ten (10) percent of that parking area must be landscaped.
 - (2) The parkway areas of adjacent rights-of-way, excluding paved curb cuts and driveways, shall be landscaped and permanently maintained. This shall be in addition to the landscaping required above. Any landscaping placed in the parkway must be in compliance with section [29-30\(b\)\(6\)i.3.](#) of the zoning ordinance.
 - (3) All required landscaping must be visible from the public right-of-way and placed for maximum enhancement of the property and the Broadway Corridor.
 - (4) Landscaping shall meet the requirements of section [29-3\(62\)](#), except that hard surface materials shall include only brick, stone, and modular pavers. Landscaping shall not include the use of smooth, patterned, colored or aggregate poured-in-place concrete or asphalt.
 - (5) Any landscaping placed within the visibility triangle of a corner lot shall be in compliance with the vision clearance standards of this section.
 - (6) Off-street parking of motor vehicles immediately adjacent to any street shall be screened from the street by a two and one-half foot (2 1/2) solid fence. Such fencing shall be placed immediately adjacent to the parking area in accordance with subsection [29-19.1\(p\)\(1\)](#) of this section and set back no more than six (6) feet. The area between the fence and the property line, if any, must be landscaped and permanently maintained according to the landscape section of this ordinance.
 - (7) All landscaped areas on the development tract and adjacent parkway shall have immediate availability of water (i.e., a water faucet) or an irrigation system, either system to be capable of sustaining plant materials. Irrigation systems shall meet acceptable industry standards.
 - (8) Irrigation systems adjacent to public streets shall not spray onto adjacent streets or gutters.
 - (9) When seasonal conditions warrant, the building official may issue a temporary certificate of occupancy for sixty (60), ninety (90), or one hundred twenty (120) days pending completion of landscaping. No final certificate of occupancy shall be issued prior to completion of landscape requirements.
- (p) Vision clearance.
 - (1) Front yards. In a front yard, no wall, fence or other structure shall be erected in any part of the front yard that would be higher than a line extending from a point two and one-half (2 1/2) feet above the natural ground level at the front lot line to a point four and one-half (4 1/2) feet above the natural ground level at a depth of twenty-five (25) feet from the front lot line.
 - (2) Corner lots. It shall be unlawful to set out, construct, maintain, or permit or cause to be set out, constructed, or maintained any tree, shrub, plant, sign or structure or any other view obstruction having a height greater than two (2) feet as measured from the top of the curb of the adjacent streets within the intersection visibility triangle. This restriction shall not apply to traffic control signs and signals, street signs or utility poles placed within such area by authority of the city. Intersection visibility triangle shall mean a triangle sight area, at all intersections, which shall include that portion of public right-of-way and any corner lot within a triangle formed by a diagonal line extending through points on the two (2) property lines twenty-five (25) feet from the street corner intersection of the property lines (or that point of intersection of the property lines extended) and intersecting the curb lines.

(3) Parkway. It shall be unlawful to set out, construct, maintain, or permit to be maintained, set out or constructed any shrub or plant (excluding trees), sign or structure, or any other view obstruction having a height of greater than three (3) feet, as measured from the top of the curb of the adjacent street, in the parkway area. All trees with a trunk diameter greater than two (2) inches measured three (3) feet above ground level that are within any of the parkway area shall be trimmed so that no foliage is less than six (6) feet above the top of the curb of the adjacent street. No evergreen or coniferous species of tree shall be allowed in the parkway.

(4) This section shall not apply to traffic control signs and signals, street signs, mail boxes which are less than two (2) feet long on each side which is perpendicular to the street, or utility poles placed within the parkway. No such tree, shrub or plant, sign or structure (including mailboxes) shall be allowed to interfere with the free passage of vehicles on the street or of pedestrians on the sidewalk or to obscure the view of motor vehicle operators of any traffic control device or street sign or otherwise create a traffic hazard.

(Ord. No. 10173, § 2, 6-24-99; Ord. No. 2009-O0058, § 7, 7-8-09; Ord. No. 2009-O0059, § 9, 7-8-09)
