

View Obstruction

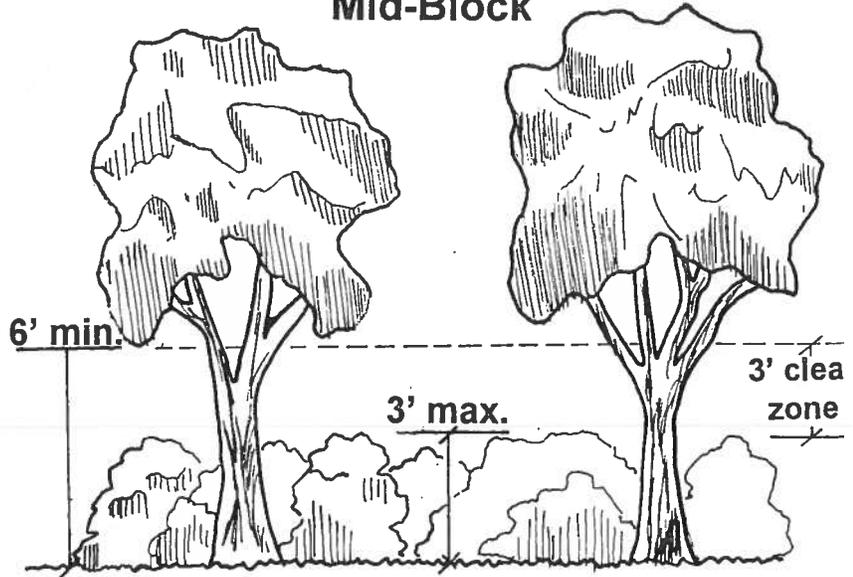

Section 29-30 (i), Lubbock Code of Ordinances

Corner

No trees may be planted in the visibility triangle. Maximum height for any fence or other object in this area is 2 feet.

Mid-Block

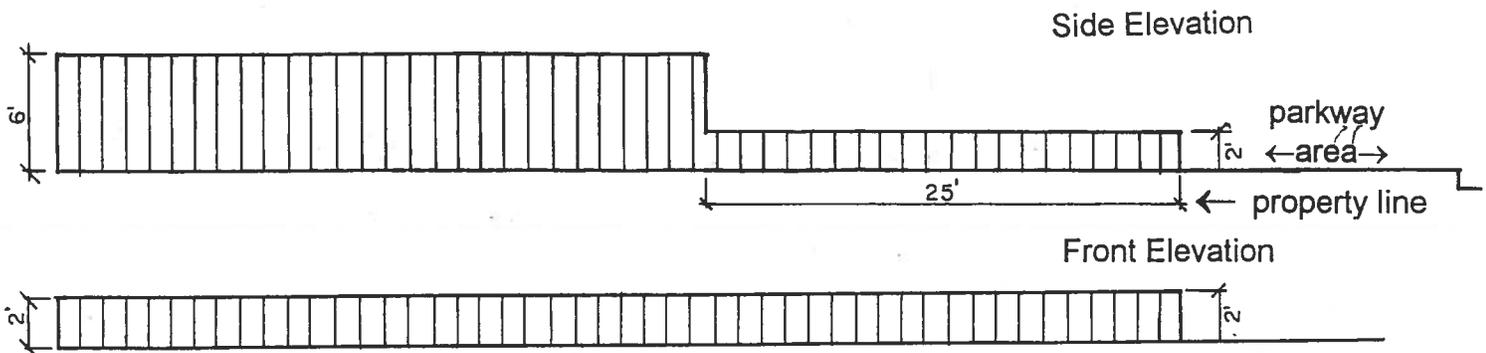

Trees in the parkway or overhanging the parking area must be trimmed so that no foliage is less than 6 feet from the ground. No evergreen or coniferous trees are allowed. Maximum height for other plants is 3 feet.
